

# le sorelle

Meaning 'sisters', the Le Sorelle Fiano is a new wine to the range and was driven by Kim and Tennille's sheer love and passion for this great variety. It showcases a different expression of Fiano which always performs so well year in, year out, proving it can grow very well in the hot dry climate of the Mildura region.

This small batch wine is made with hand-picked grapes from our Murray Darling vineyard. Whole bunched pressed and naturally fermented on solids until dry. This wine then saw some time in old oak and the resulting wine is a rounded, medium weight Fiano that shows attractive fresh pine and almond meal. The 2022 vintage resulted in a wine that is ready and delicious straight out of the bottle.

**Vintage** | 2022
